

Pacific Academy

STEM Educational Assistant Job Description

Designation	ADST/STEM Educational Assistant
Division	Primary, Intermediate, Middle or High, as designated
Reports to	Divisional Principal
Works collaboratively with	Teachers, EAs

Intermediate School ADST/STEM Educational Assistant (Grade 3-5) – 0.6 FTE Temporary Position

Pacific Academy is seeking a passionate and flexible ADST/STEM Assistant to join our Intermediate School (Grades 3-5). This is a 0.6 FTE position, spread across three days (Tuesday to Thursday), covering 21 blocks.

The ideal candidate will bring creativity and a love for science, technology, engineering, and math while integrating a biblical worldview into their teaching. This role requires flexibility in scheduling and a willingness to support other classes as needed across grade levels. We value collaborative, mission-minded educators who are committed to nurturing students both academically and spiritually.

Qualifications:

Successful candidates should:

- Possess an understanding of and commitment to Christian Education
- Actively and personally support a Pentecostal/Charismatic statement of faith
- Have experience working in an elementary education environment.
- Be a team player
- Be fluent in oral and written English
- Experience supporting ADST classes and Design Thinking processes is considered an asset

How to Apply:

Potential candidates should download and submit a completed [Teacher Application Package](#), along with a cover letter and resume to careers@mypacificacademy.net. If

you have already submitted a Teacher Application Package in the past year, please email to indicate an interest in the position.

Please note: Pastoral reference form must be completed and submitted directly by the pastor to careers@mypacificacademy.net.
